Solutions

We're for U.

300 of our employees wear whites.

If it's out of a packet, it better be bloody brilliant.

It takes commitment to run a successful kitchen. The pain, the burns, the drama, the hours...it's something that chefs alone can understand.

As the dedicated foodservice business of Unilever, we lead the industry in providing innovative and high quality professional food ingredients and services created by chefs, for chefs.

With over 300 chefs in our global network and 6 in our local business, we're here for you. We have chefs in each region, within our sales force, national account team and even the managing director - to make sure what we do is right for you.

we're for U.
